OBJECTIVE

A dedicated educator and trainer with hands-on experience in teaching and student engagement. Seeking a Community Educator role where I can contribute through effective communication, training delivery, and community engagement to promote safety awareness and social impact.

SKILLS

1. Communication & Teaching:

- Classroom teaching and training delivery
- Public speaking and presentation
- Student engagement and mentoring

2. Organizational Skills:

- Lesson planning and activity coordination
- Time management and teamwork
- Reporting and documentation

3. Technical:

- MS Office Applications
- Mobile App Development(Flutter)
- Web Development(PHP)

EXPERIENCE

1. Junior Instructor (Computer Department)

National Polytechnic College, Chattogram

January 2024 – March 2026

- Conduct regular classes for students on programming and IT subjects
- Deliver structured lessons and training sessions in an interactive way
- Guide students in projects, assignments, and practical work
- Communicate effectively with students to ensure understanding

2. Procurement Officer (ASSET Project)

National Polytechnic College

- Completed 3-week procurement training at Engineering Staff College, Munshiganj (Sep 2025)
- Managed tender documentation and supported evaluation processes
- Maintained proper records and ensured organized documentation

3. Bootcamp Instructor (Flutter – 7 Days Program)

Well Up Technology, Chattogram

- Conducted a 7-day intensive training program on basic mobile app development
- Delivered daily sessions covering fundamentals in a structured and easy-to-understand way
- Guided participants through hands-on practice and mini project development

EDUCATION

B.Sc in Computer Science & Engineering (Running)

3rd Year

Port City International University

Diploma in Computer Technology (2018 – 2022)

National Polytechnic College

CGPA: 3.72

LANGUAGES

- Bengali (Fluent: Speaking, Reading, Writing)
- Chittagonian (Fluent: Local dialect communication)
- English (Proficient in reading, basic speaking)

ADDITIONAL INFORMATION

- Strong interest in community development and education
- Willing to work in field-based environments (Cox's Bazar region)
- Able to adapt to challenging situations and diverse communities
